

Erratum

In the September 2001 issue, in the article “A Genome-wide Scan for Loci Predisposing to Type 2 Diabetes in a U.K. Population (The Diabetes UK Warren 2 Repository): Analysis of 573 Pedigrees Provides Independent Replication of a Susceptibility Locus on Chromosome 1q,” by Wiltshire et al. (69:553–569), the name of Prof. Gian Franco Bottazzo (Department of Immunology, St. Bartholomew’s and the Royal London School of Medicine & Dentistry, London, and Scientific Directorate, Ospedale Bambino Gesù, Scientific Institute [IRCCS], Rome) was mistakenly omitted from the list

of authors. The correct author list, in order, is as follows: Steven Wiltshire, Andrew T. Hattersley, Graham A. Hitman, Mark Walker, Jonathan C. Levy, Michael Sampson, Stephen O’Rahilly, Timothy M. Frayling, John I. Bell, G. Mark Lathrop, Amanda Bennett, Ranjit Dhillon, Christopher Fletcher, Christopher J. Groves, Elizabeth Jones, Philip Prestwich, Nikol Simecek, Pami-dighantam V.
